

# RIDE SMART & SAFE!

1. Stay out of the street while waiting for the bus. **BE RESPECTFUL** of public and private property.
2. Wear bright clothing and allow *extra* time to walk to the bus stop whenever the weather is bad.
3. Remain seated at all times while the bus is moving. Keep aisles clear; stow school bags under the seat.
4. Do not shout, yell, or sing; it distracts the driver. Wait until bus comes to a *complete stop* before exiting.
5. Avoid the **DANGER ZONE**. Walk 10 giant steps in front of the bus so the driver can see you clearly.
6. Never retrieve anything that falls under the bus. Ask your bus driver to retrieve it for you.
7. Wait for your bus driver's signal before crossing in front of the bus. Be sure to look **LEFT-RIGHT-LEFT** to see that all cars have stopped before crossing the street.

Enjoy  
your Ride!
