Financial Guideline

Dentistry is an excellent investment in a person's overall well being. We believe that financial considerations should not get in the way of the best care for you and your family.

2% MN Health Care Tax will be added to all services.

Payment Options:

For your convenience we accept cash, check, money order, Visa, MasterCard, Discover, American Express and CareCredit.

Payment in full is expected at the time services are rendered.

A 5% courtesy adjustment is given for services rendered to patients without dental insurance for payment in full with cash or check.

Any accounts unpaid after **90 days** will be turned over to a collection agency. **You will be responsible for their fee.**

Missed or Canceled Appointments:

Missed or canceled appointments **without at least 24 hours notice** will result in a charge.

Dental Insurance:

As a courtesy to you we will bill your insurance directly. However, **since dental insurance is a contract between you and your insurance company, your estimated portion is due at the time services are rendered and you are ultimately responsible for all charges incurred.** Please remember that dental insurance is not meant to be a pay-all, but merely an assistance.

We recommend the best treatment options for your dental health. Your insurance company may or may not benefit all procedures. Our recommendations are based on your dental needs, not your insurance coverage. We request that you understand your policy in advance so that together we can make the best treatment decisions.

Please feel free to discuss any questions or concerns you may have regarding these guidelines.

I have read and understand this guideline.
