

Attorneys: Join MLRS

Give your case load a boost and serve your community! Join the oldest and largest nonprofit bar-sponsored lawyer referral service in the state.

MLRS receives over 25,000 calls annually and refers over 6,000 moderate-income individuals to our member attorneys throughout the MLRS service area. Last fiscal year our attorneys generated over \$875,000 in legal fees.

If you're a Front Range lawyer engaged in the private practice of law and want to learn how to participate in the lawyer referral service program at a very modest cost, call MLRS at (303) 831-8000 or you can send your address by e-mail to lawyers@mlrsonline.org and we will mail you an application and the MLRS Rules of Operation. You must be insured and a member of both the Colorado Bar Association and one of our sponsoring local bar associations.
