Proverbs 24:10-12 (NLT)

If you fail under pressure, your strength is too small.
Rescue those who are unjustly sentenced to die; save them as they stagger to their death.
Don't excuse yourself by saying, "Look, we didn't know."
For God understands all hearts, and He sees you.
He who guards your soul knows you knew.
He will repay all people as their actions deserve.

I wonder

I wonder what I would have been if I had lived my life and not have fallen to the fate of the killer's knife.

Would I have been a teacher helping others learn, or maybe a fine doctor filled with God's concern?

Would I have been a prophet used by God above to warn the people of this world to turn back to His love?

I never felt my mother's touch, or saw my father's face. They thought I was a creature that brought them such disgrace.

I never held a rattle or hugged a teddy bear.
When I was led to slaughter, so few seemed to care.

I wonder if I might have lived if more had heard my voice and spoken up on my behalf and given me a choice.

My blood cries out with millions more a sad and mournful song.
While so few seem to question, "Where have the children gone?"

Merry Christmas

Here at His Nesting Place Maternity Home our corridors echo with the sounds of precious new life, little lives born because our home is open for the mothers to turn to and give birth instead of turning to the abortion clinic. My heart wants to see all abortions outlawed in our country. Every baby ever conceived by God should be given her or his opportunity to fulfill God's purpose on earth. Hundreds of children are spared being aborted every year because of your prayers and financial help to His Nesting Place. For that we can remain at His Nesting Place, A great light house! His "beacon" to guide women to choose life! For this we say Thank You for helping make this possible.

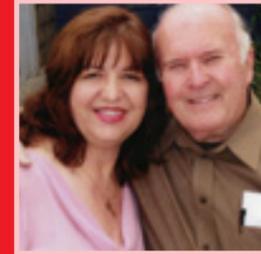

May your family experience the very best Christmas ever and know you are so loved by our Lord and Savior Jesus Christ and we love and appreciate you so much!

On behalf of all our mothers and their children born and yet to be born, staff, and ourselves, Drs. Al and Judy, God bless you and thank you. Have a wonderful and very Merry Christmas!

Chreshaunda "Chris" Testimony - It's not about "me."

We first met Chris at our Pregnancy Help Center in March 2013 when she came in for a free pregnancy test. Vianey was able to share with me her desperate situation and how urgent it was for us to move her right into His Nesting Place. She said she'd never heard a client scream and cry so loud! Chris said, "What am I going to do? If my dad finds out I'm pregnant, he'll kill me. I have to have an abortion!"

Vianey calmed Chris's stormy, panicked and frightened mind by reassuring her she could move right to our maternity home. That very day she came to the Pregnancy Help Center is the day she moved into the home and here is Chris's testimony in her own words.

Judy and Vianey with Chreshaunda "Chris" Ward

My name is Chreshaunda Ward and I am 22 years old. Before I came to His Nesting Place my life was scrambled and so messed up. My mother and father were both drug addicts and I was removed from them and raised from the age of 6 to 15 in dozens of different foster and group homes. I always longed for true love from a stable family. Eventually I moved in with my dad but couldn't live there because his girlfriend was mistreating me so I ended up

homeless. When my boyfriend found out I was pregnant he tried to talk me into an abortion. Even now I have nothing to do with him.

I know a hundred percent that the Lord led me to His Nesting Place. I look back and don't even know how I found this place other than a miracle! When I came in, Vianey made me feel so welcome and comfortable. She gave me the

assurance I could be a good mother. When I had no support elsewhere, His Nesting Place came to my rescue.

Today I am so grateful I could live at His Nesting Place. It was here I experienced firsthand the real unconditional

love of God. My eyes were opened to believe not everyone's out to take from me or take advantage of me. I could see the staff's love and support and how much they wanted me to succeed. I have gained so much understanding that it's not about "me." I'm not living for "myself" anymore! My desire is to go to school to become a compassionate social worker and a help to children who've been like me, going from one foster family to another. My son Christian was born October 23, 2013 at Long Beach Memorial Hospital.
