Hank is a dog that makes you smile. He was sold to a man here locally for cattle work. When dry weather hit the south, hay and grazing pasture was sparse, our friend sold his cattle and brought Hank back to Pincie Creek. Since then he has started his trialing career with Roger and made the merit program in 2007, trialed at Nationals and acquired a following of fans that watch him in the arena. Hank's one little downfall is he doesn't know what gates are as he is more than willing to help ANY dog in the arena if he is around and Roger doesn't have him hog tied.
